

HOT SUMMER DAYS

Summer is here (incase you didn't notice)! Nothing is better on a hot summer day than an ice cold beverage. You will find no shortage of cool refreshments to enjoy here at the Farmers Market Annex.

- Iced coffee at Tiny Footprint Coffee
- Fruit smoothies at one of your newest vendors; Anatolia
- Hibiscus slushies at FAH Tea
- Fresh squeezed lemonade from Squeeze Team Lemonade
- Fresh Thai Coconut Water from another new vendor; Worlds Greatest Nachos
- Gelato from Sorentos Pizza & Pasta
- Cold water, juice, and pop at many of our concessions booths

If you're over 21, there are other cool beverages you can indulge in too. Our neighbors at [Unleashed Hounds and Hops](#) host a beer garden every weekend from 10am-1pm back in the Urban Garden. Stop back for a cold beer, mimosa, or bloody Mary. See, there are lots of ways to cool off while you find some hot deals and fresh produce here at the Farmers Market Annex!

We Were on TV

Twin Cities Live profiled the Farmers Market Annex and four of our vendors: ShopNadias, Mean Green Hot Sauce, Barkley's Bistro and International Gourmet. It was a fantastic look at the diversity of products that makes us a Next Generation Farmers Market. Give it a view and come see for yourself how much the Annex has to offer beyond local produce and great eats.

Minnesota Glads

Minnesota grown Gladiolus are in season! Market flowers got its start wholesaling local Glads, and they are always excited when they come back into season.

If Glads aren't your thing, Sunflowers, roses, ranunculus, eucalyptus and many, many more flowers and greenery are available inside the cooler. Stop in and shop or call ahead and prebook some flowers or greenery for your wedding, grad party or any event. And get some Glads while they are in season!

Farmers are Still Growing

Our local farmers did not stop growing their vegetables and flowers just because of some pandemic. Minnesota (and yes, some Wisconsin) summer produce is in peak harvest season. Peppers, onions, tomatoes, potatoes and so much more all fresh and all at the farmers market. Come support these hard working farmers and get the freshest produce in town.
