As social media guy sat down to write this newsletter, he had writer's block. There was so much to say about Memorial Day weekend at the Farmers Market Annex, yet he couldn't find the words without rambling and sounding like he had one to many Mini Donut beers at the mini-State Fair. Then it hit him! Here are the top 10 reasons to visit the Farmers Market Annex this Memorial Day Weekend!

**10) Get your steps in!** Yes, it's a weekend to relax, but why not get those 10,000 steps in at the market before lunch and then take it easy the rest of the day?

**9) Spruce up the yard!** Having guests over? Get something new for the yard before they arrive. Engraved stones, chimineas, gnome gardens, rock candles, you'll find something to show off when guests arrive.

**8) Meat!** Get a great cut of meat to grill up from Croix Falls Beef. Vegetarian? We'll get to you later...

**7) Golf tips!** If you find the boss guy cruzin' around the market on his golf cart, trade golf tips with him. He'll have you golfing like Phil Mickelson in no time!

**6) Fresh flowers!** For the kitchen table or to set next to the grave of a loved one, you'll find the perfect flower or bouquet at Market Flowers. Yes, that includes peonies!

**5) How 'bout a beer?** Got those 10,000 steps in? Take a break and reward yourself at the Unleashed Hounds and Hops beer garden. Open every weekend 10-1.

**4) Add flavor to your meal!** From hot sauce, to pasta, to cheese, to broths, to bbq sauces, you're sure to find something to make your Memorial Day meal even better.

**3) Visit the Chicken!** He loves having his pic taken with you. He loves you sharing that pic on social media (#AnnexChicken) even more! He doesn't love it when you try to grill him up for your bbq.

**2) Spring produce is here!** Asparagus, rhubarb, green onions, hydroponic tomatoes, mushrooms, herbs, radishes and more coming into season soon. Told you vegetarians, we got you covered too!

**1) You're hungry!** Over a dozen concessions vendors are waiting to feed you now before you feed your friends and family at that grill out later.

And that's not even everything we have going here at the market! So find some time this weekend and spend a few hours at the Farmers Market Annex. You, your stomach, your grill out guests, your Instagram account, and your golf game won't regret it!

## Find Your Style

We call ourselves a Next Generation Farmers Market, and one of the reasons why is cause we open our market to vendors of all kinds. The best looking group is our clothing, jewelry, and accessory vendors. We have over 25 vendors with something to fit anyone's fashion. Some are imported from a country personally close to that vendor, some are handmade, some selected to fit the owners style, all are small business owners. Next time you need something new for your wardrobe, swing by the Annex.

## Flowers for Any Event

June brings lots of season events that all need some flowers to spruce things up. The bulk flower and green selection at Market Flowers is perfect for grad parties, dance recitals, reunions, and, of course, weddings. You don't need a floral license or an appointment to shop! Just come in anytime they are open, grab a bucket, and load up as few, or as many flowers as you need. Or, pre-book with at least two weeks notice to guarantee flowers and greens for yourself.

Oh, also they have peonies! Not Minnesota yet. North Carolina peonies, but they look amazing! The local peonies should be in season in a couple weeks!

We might be over a month into the farmers market season, but that doesn't mean you or your friend's small business can't still join us! Weekly and prorated full season contracts are available anytime. We are part of the largest open air market in the state with thousands of visitors every weekend. Let us be the spring board that helps take your business to the next level. We welcome vendors, artists, growers, and musicians of all kinds. Reach out to Jay today and reserve a space next week!
