Fresh Made Right Here

We take great pride in making our own winter decor here at the farmers market. This ensures not only that it is fresh, but that we know the people making them. We know what a wonderful job they do for us every year!

We retooled our patio pots this year, with a more stylish pot, fresh winterberry, and pine cones, along with all our greens. We use fraser fir in our wreaths instead of balsam, which gives a much fuller finished product. We also sell magnolia, pine, cedar and west coast wreaths. We have five kinds of garland, always in stock, ready for whatever look you are going for down your staircase railing. Lastly, our door swags are a simple, but elegant alternative to the traditional Christmas wreath.

Come see all our fresh made products this weekend or pick up some of our bulk boughs and accents to make your own holiday decor!

2021 Weddings

Fresh flower season may be over till April, but that doesn't mean we can't be thinking about next season. Are you Recently engaged? Maybe you pushed off your 2020 wedding till 2021? Market Flowers is the best way to make your own wedding arrangements and save a fist full of money in the process. Call Tom or Diane anytime this winter with questions.

Become a Vendor

Are you or someone you know an entrepreneur looking for a place to sell your passion? Make the Farmers Market Annex your home! The 2021 farmers market season will run from April 24 to October 24, 2021. We offer full season, weekly, and spring only contracts to our vendors. A full season contract will get you a better weekly rate and lock you into one spot the whole season. Contact Jay today to find out how the Farmers Market Annex can help take your small business to the next level.

This year more than any, people are looking to deck out their house for the holiday season. The Farmers Market Annex and the Annex Tree Lot have you covered!

We have a fantastic selection of fresh cut Christmas Trees. Our new partner, Wry Family Farms bring us their best trees from Hixton, Wisconsin and Clear Lake, Minnesota. You are sure to find exactly the size and style tree that fits your home and your family's Christmas. We hang all our trees so you can easily check out all sides of it before we take it down, bag it up, and tie it to your car for you.

We have much more than just trees. Our bough and accent selection is second to none, with white pine, cedar, magnolia, winterberry, birch and so much more. We also make patio pots, wreaths, garland and door swags right here on site (read more about those on page 2). We're clearly biased, but we think we have the best tree lot in town!

Come see for yourself everything we offer!
