

2012 PARKING NOTICE

One of the most important relationships we have here at the Farmers Market Annex is the one with Mark, owner of the *Paper Depot*. Mark has been really great to work with and we can come and go as we need to on Saturday morning, but we have to be out of the Paper Depot parking lot by 8:00 am. We have been doing a better job but we absolutely cannot be in his parking lot when he opens for business.

At the close of our day we CANNOT under any circumstances disrupt his customers and their ability to park in HIS LOT.

There will be absolutely no vendors loading or parking in the Paper Depot lot on Saturday afternoons at the close of our Market.

All Vendors must follow these rules. Under NO circumstances can anyone argue, disagree, or act rude to Mark or any of his employees. We cannot expect him to police his lot every Saturday, that's our responsibility.

PLEASE help me and help yourself to keep this parking privilege. Imagine how much more difficult it would be if we didn't have access to the Paper Depot Parking Lot.

You must be *respectful* and *courteous* at all times to the attendant and all of the Paper Depot employees AND customers. You must always drive at a slow and safe speed.

PARKING REMINDER

- No Vendor parking on 3rd Street or adjacent streets.
- No Vendor parking under I-94 bridge.
- No Vendor parking on Border Ave.
- Parking is allowed in the International Market Square lot on the corner of Glenwood and Lyndale.
